HIGH PERFORMANCE COLLABORATION SOLUTION

Redefine collaboration with the Newline Q Series, an ultra-high definition display that provides an immersive audio-visual experience for your meeting rooms and huddle spaces.

Start meetings faster with the plug and play design of the Q Series. Plug in your laptop through the USB Type-C cable and start presenting, all while the Q Series keeps your laptop charged. USB Type-C delivers clear audio, video, and power with one cable to declutter your setup. A built-in Wi-Fi 6 module offers greater connectivity and compatibility for securely connecting multiple devices.

Keep your panel and data secure with the embedded Android 11 OS that also provides customization options like unique user profiles. Download your favorite apps right to the Q Series panel with Newline's curated app store - everything you could need to conduct business from Microsoft Office, to Google Slides, to Zoom and Teams.

Build a more dynamic collaborative space with the Q Series.

Newline Q Series includes the following software solutions
